

## 2021 - 2022 CCFCCA MEMBERSHIP APPLICATION

The Clark County Family Child Care Association is a Chapter of the Washington State Family Child Care Association; [www.wsfcca.com](http://www.wsfcca.com). CCFCCA has been a non-profit professional support organization for over 40 years and has encouraged and fostered networking for family child care professionals by providing monthly meetings, special events and STARS trainings that align with DCYF and WAC requirements. We invite all licensed family child care providers and their staff to join CCFCCA.

Due to Covid, we are no longer meeting in person. Our hope is that Covid will be behind us soon and we will be back to seeing everyone again at our monthly meetings. In the meantime, we are offering Zoom Trainings throughout the next year at NO COST to our members (12 STARS) Please see our Trainings/Meetings page on this website for a list of trainings.
