

2019-2020 CCFCCA MEMBERSHIP APPLICATION

The Clark County Family Child Care Association merged with the Columbia River Family Child Care Association in November 2019 and is now a Chapter of the Washington State Family Child Care Association. CCFCCA has been a non-profit professional support organization for over 40 years and has encouraged and fostered networking for family child care professionals by providing monthly meetings, special events and STARS trainings that align with DCYF and WAC requirements.

We invite all family child care providers and their staff, child care center staff and all those involved with the care and education of young children to attend. You do not have to be a CCFCCA member to join us at our monthly meetings and are welcome to attend our STARS training at the cost of \$10.00 per STARS hour. CCFCCA members receive their STARS trainings at no charge. Please see our Trainings/ Meetings page on this website for a list of trainings and meetings.
